

Terms and conditions of BJNR

- Submission of Content:** a. Authors are responsible for the originality and accuracy of their submissions. b. By submitting content, authors grant the journal non-exclusive rights to publish, reproduce, and distribute the work.
- Plagiarism and Misconduct:** a. The journal reserves the right to reject or retract any content found to be in violation of academic integrity or ethical standards. b. Authors are responsible for ensuring that their work does not infringe on the intellectual property rights of others.
- Site Crash and Data Loss:** a. The journal is not liable for any loss of data due to site crashes, technical failures, or other unforeseen circumstances. b. Authors are encouraged to keep copies of their submissions and data.
- Copyright and Licensing:** a. The journal retains the right to publish, distribute, and archive content. b. Authors retain copyright to their work but grant the journal the right to publish it.
- Peer Review:** a. The journal reserves the right to conduct peer review on submitted content. b. The peer review process is confidential, and reviewers' identities will be protected.
- Withdrawal of Content:** a. Authors may request the withdrawal of their content before publication. b. Once published, withdrawals may be considered under exceptional circumstances and at the discretion of the editorial board.
- Editorial Discretion:** a. The editorial board reserves the right to make editorial decisions based on academic merit and relevance. b. The journal is not obligated to publish all submitted content.
- ISSN Publication Status:** a. Authors acknowledge that the journal is in the process of obtaining an ISSN (International Standard Serial Number) for official recognition. b. Authors agree to allow the publication of their content even if the ISSN has not been assigned at the time of publication. c. The absence of an ISSN does not affect the validity or standing of the published work, and authors understand and accept this condition.
- Indemnification:** a. Authors agree to indemnify the journal against any claims, damages, or legal actions arising from their submissions.
- Site Access and Security:** a. Users are responsible for maintaining the confidentiality of their account credentials. b. The journal is not liable for unauthorized access to user accounts.
- Changes to Terms and Conditions:** a. The journal reserves the right to update or modify these terms and conditions. b. Users will/ will not be notified of any changes, and continued use of the platform implies acceptance of the revised terms.
- Limitation of Liability:** a. The journal, its editors, and affiliated entities are not liable for any direct or indirect damages, including but not limited to loss of data, revenue, or reputation. b. Authors acknowledge that they are solely responsible for the content they submit and any consequences arising from its publication. c. In the event of legal action or claims related to submitted content, authors agree to bear all associated costs and legal responsibilities. d. The journal does not guarantee the accuracy, completeness, or reliability of any content published and disclaims any responsibility for errors or omissions.
- Financial Transactions and Refunds:** a. Authors understand that any fees or payments made in connection with the submission process are non-refundable. b. The journal is not responsible for any financial loss resulting from transactions, including but not limited to, processing fees, publication charges, or any other associated costs. c. Authors are solely responsible for ensuring the accuracy of transaction details, and the journal is not liable for any errors in financial transactions initiated by the author.
- Compliance with Laws and Regulations:** a. Authors agree to comply with all applicable laws, regulations, and ethical standards in the submission and publication of their content. b. The journal reserves the right to take appropriate action if any legal or ethical violations are identified.
- Editorial Decision Appeal:** a. Authors may request a review of editorial decisions through a formal appeal process. b. The decision of the appeals process is final and binding.
- Termination of Publication:** a. The journal reserves the right to terminate the publication of any content if it is found to be in violation of ethical standards, academic integrity, or legal requirements. b. Termination may occur before or after publication.
- Journal Archiving:** a. The journal may archive published content for record-keeping and historical purposes. b. Archived content will remain accessible, but no updates or modifications will be made.
- Communication:** a. Official communication between the journal and authors will be conducted through designated channels, and authors are responsible for regularly checking these channels. b. The journal is not responsible for any consequences resulting from the failure of authors to receive or respond to official communications.
- Changes to Publication Schedule:** a. The journal reserves the right to make changes to the publication schedule without prior notice. b. Authors will be informed of any significant changes, but the journal is not liable for any inconvenience caused by such changes.
- Data Privacy and Security:** a. The journal is committed to protecting the privacy and security of user data. b. Authors are responsible for ensuring the accuracy and security of their account information.

21. Force Majeure: a. The journal is not liable for any failure or delay in performance due to events beyond its reasonable control, including but not limited to acts of nature, war, or government regulations.
22. Consent for Automated Processing: a. Authors consent to the automated processing of their personal data for the purposes of manuscript submission, peer review, and publication
23. By submitting your manuscript to BIJNR, authors acknowledge that the journal cannot guarantee the indexing of all published content in databases such as Google Scholar and other indexing partners. While [BIJNR] endeavors to enhance visibility and accessibility, indexing decisions are at the discretion of external partners. Authors are encouraged to independently promote their work, and BIJNR remains committed to continuous efforts to improve indexing possibilities.
